

MAKING OFF-ROAD BIKES OFF LIMITS

YMGYRCH | OPERATION

HARLEY

#OpHarley

Operation Harley is a Newport-wide initiative targeting the illegal and antisocial use of off-road vehicles, during the spring and summer months.

So, what can you do to help?

Please report any concerns to us as soon as possible by direct messaging us via Gwent Police's Facebook and Twitter accounts, or emailing contact@gwent.pnn.police.uk. Please include any photographs, videos or other supporting evidence you may have.

Alternatively, you can call us on **101**, or contact Crimestoppers anonymously on **0800 555 111**.

When making a report, please quote **#OpHarley** and the log number **1900054085**.

What we need to know?

- A description of the person riding the bike or in the vehicle in question
- Where it is being used
- When it is being used – times of day and night, days of the week
- Details of the offending vehicle/bike
- Who you believe may own the vehicle/bike.
- Where you believe the vehicle/bike may be stored

With your help we can seize offending vehicles and deal with any suspects identified. Let's work together to make illegal and antisocial off-roading in Newport off limits.
